

# FIND GREAT-FIT TALENT, FAST

Quickly fill your open roles with high-retention direct hires from the WorkStep talent network. No more agencies. No more job boards.

## Supply Chain Companies Are Turning to WorkStep HIRE

### FIND GREAT-FIT SUPPLY CHAIN TALENT FAST

Quickly fill open roles with highly skilled direct hires from WorkStep's talent network - the largest supply chain specific network in the US filled with workers looking for new roles.

### INTELLIGENT SCREENING CAPABILITIES

Five years of matching technology ensures that every candidate is a good fit for the role and that their work experience is vetted.

### WORKFLOW AUTOMATION

WorkStep's integrated workflow automation saves time, money, and resources. Automate interview scheduling, reduce the back-and-forth, and seamlessly stay connected to candidates.

### RETENTION OPTIMIZED MATCHES

We're motivated by companies finding permanent workers. Every candidate hired through WorkStep HIRE is automatically enabled with our RETAIN solution to help support your retention efforts.

### NO COST UNTIL YOU HIRE & RETAIN

No longer pay for sub-par candidates from job boards or expensive temp agencies. With WorkStep HIRE, only pay once a candidate is hired and retained.

### Hit Your Hiring KPIs Faster with WorkStep HIRE

Kroger, the largest grocery chain in the United States hired more qualified candidates and improved retention rates in their distribution centers.

“WorkStep HIRE has significantly increased the size of our candidate pool, and the retention rate on WorkStep placements has been higher than what ours was previously, which saves us money on training and replacement.”
