“ WorkStep has significantly increased the size of our candidate pool, and the retention rate on WorkStep placements has been higher than what ours was previously, which saves us money on training and replacement.

- Jerad Coine, Logistics Human Resource Manager

“ To me, it's like magic. I hit the button and candidates show up at the door. With WorkStep, we are seeing higher quality of fit to our roles, even for skilled trade, and hiring is made easy with reminders and perfect follow up.

- Brenda Whiteley, HR Generalist
